Struggling with securing student internships or meeting career readiness standards?

Our **Virtual Internship Program** offers flexibility with a variety of career options for students to choose from.
This year-long program prepares students before stepping into a physical workspace and allows them to test and try concepts in a risk-free simulated environment. Students will gain valuable skills and uncover which areas they like most and where they'd like to focus in the future, or major in at college.

✓ With eight different options to choose from, students will have the flexibility to select the career path that's right for them.

✓ A perfect year-long program that pairs nicely with many CTE pathways

✓ Gives students an outlet to reflect on their future and hone in on areas in their desired field

✓ Provides teachers with comprehensive lessons, activities, tools, and resources to help their students succeed.

✓ Meets career readiness, preparation, and workplace essential standards, ensuring that your students are fully equipped for success.

Enrich Your Business Curriculum with Simulations

Knowledge Matters is the leader in virtual experiential learning, providing simulations for High Schools.
Paired with eDynamic Learning's courses, you will have the tools you need to enhance student engagement and elevate the learning experience.

✓ A comprehensive set of teaching materials and the ability for your students to apply what they have learned

✓ Nine different simulation curriculum packages can be seamlessly integrated into your existing curriculum and lesson plans

✓ Simulations offer a risk-free environment for them to test and try out concepts while gaining valuable skills and learning all aspects of their chosen industry

✓ Prepare students for internships and success after graduation

✓ Browser-based, online simulations that provide you with an interactive curriculum to teach business, marketing, financial literacy/personal finance, and much more
