

Expand opportunities with **EDOPTIONS ACADEMY**

A fully accredited virtual school program

EdOptions Academy is a fully accredited K through career online school that offers award-winning curriculum, state certified teachers, and accredited high school diplomas to schools and students who need flexible learning options through:

- Rigorous and engaging curricula built to state and national standards
- High quality, state certified teachers experienced in online instruction
- Flexible program implementation and management designed for virtual learning

Fill teacher vacancies

Solve scheduling conflicts

Provide expanded student options

Support your own fully virtual school

Fully accredited by AdvancedEd and recipient of the ISTE Seal of Alignment for Readiness

Being able to expand our course catalog is a huge benefit for us and something that we look forward to continuing down that road and making it more sustainable for all students.

— Marcie Ebright, Digital Learning Coordinator,
Akron Public Schools

An engaging solution that supports all learners

EdOptions Academy incorporates an engaging, age appropriate learning experience that emphasizes real-world applications. Learners are actively engaged and frequently interact with the content. Our active learning approach enables students to apply what they have learned, practice, and check their understanding.

K-5 Instruction powered by Calvert Learning

Carefully curated curriculum for elementary learners that incorporates problem-based instruction and blends online and print-based learning tools

Career Preparation powered by Smart Horizons

Career preparation in 10 vocational areas, including home care professional, office management, customer service, hospitality, food services, commercial driving, and more

6-12 Instruction and CTE Preparation

Over 100 semesters of courses in core subject areas, over 100 semesters of Career Technical Education (CTE) offerings, 27 semesters of college prep courses, and more

K through career learning journey
