LINCOLN
LEARNING

YOUR PARTNER FOR STUDENT SUCCESS

lincolnlearningsolutions.org

LINCOLN
LEARNING

GET TO KNOW US

Founded in 2005, Lincoln Learning Solutions is a 501(c)3 nonprofit organization that provides high-quality digital curriculum products for EK-12 districts, schools, and homeschool solutions. We are powered by a dedicated team of educators committed to ensuring student success in and beyond the classroom.

Our EK-12 educational solutions include:

Flexible digital
curriculum

Supplemental
content

Ongoing service
and support

Our philanthropic grants and donations signify our investment in promoting student success in schools in and beyond our community.

LEARN ANYTIME, ANYWHERE

VIRTUAL

BLENDED

HYBRID

✓ **WRITTEN BY TEACHERS,
FOR TEACHERS**

Lincoln Empowered's digital curriculum revolutionizes teaching by providing tailored experiences for students. Developed by subject-matter experts with vast educational backgrounds and research, courses are aligned to academic standards for comprehensive learning.

✓ **THE "IT FACTOR"**

Our curriculum accounts for unique learning styles and employs the "IT Factor." Adaptable learning modules encourage exploration, comprehension, and retention to cultivate an inclusive, growth-oriented environment.

✓ **TRUSTED PARTNERS**

Collaborating with top learning management and student information systems, we enable smooth integration within your existing digital education infrastructure.

BASE COURSES

COURSE OFFERING

LINCOLN EMPOWERED

Lincoln Empowered is our core curriculum that offers:

- Full-year and semester options
- Auto-graded and teacher-graded options
- Multi-modal design to support all learning styles

ELECTIVES

Offering diverse topics for all educational levels:

- Arts, Music, and World Languages
- Business & Technology
- Family & Consumer Sciences
- Wellness & Physical Education

CREDIT RECOVERY

Courses targeting a specific focus on content areas where mastery is needed:

- Self-paced, teacher-supported courses
- Prescriptive learning experience
- Guided focus on content mastery
- Full-year and semester options

CAREER & TECHNICAL EDUCATION

Our Pointful Education partnership offers students:

- Real-world learning opportunities
- Career-focused pathways
- Industry certification exam prep

LINCOLN CONTENT BANK

powered by
aws

In partnership with Amazon Web Services, the Lincoln Content Bank gives educators access to vetted, standards-aligned supplemental materials all in one place.

Access to nearly 110K
vetted items

Plays securely and easily in
multiple LMSs

Student-centered
supplemental resources

DESIGNED BY TEACHERS, FOR TEACHERS

This robust tool allows you to
find learning resources based
on searches for:

- **Keywords**
- **Grade levels**
- **Topics**
- **Asset types**
- **Standards**
- **And so much more!**
- **Subjects**

*These courses can also be used for middle school grades.

Through our partnership with Pointful Education, we can provide CTE courses to meet your student's interests.

INSTRUCTIONAL SERVICES

EXTEND YOUR CLASSROOM

Our Teacher Facilitators and Student Support Teams collaborate to offer comprehensive support within the online learning environment.

They ensure that accommodations are effectively aligned with student needs and provide the following services:

Asynchronous instruction

Constructive feedback on assignments and assessments

Live office hours

Whether your school or district is facing a teacher shortage or you wish to expand your virtual course offerings, our dedicated teachers are ready to support your students in these key areas.

SERVICES AND SUPPORT

DEDICATED SUPPORT

Every partner is assigned a dedicated Client Success Specialist, ensuring seamless communication and continuous support.

"Lincoln Learning Solutions has provided our program, teachers, students, and families with exceptional training over the past 5 years. Lincoln Learning Solutions by far surpasses our expectations every time. They are knowledgeable, professional, organized, and an absolute pleasure to collaborate with."

Andrea Becker, VLAC Lead Instructor

ONBOARDING AND TRAINING

We offer comprehensive training and ongoing support from our internal team, covering aspects like:

Curriculum overview

Grading

Student monitoring

Navigating the learning management system
